SAFETY FIRST

The most important thing is that everyone has safe fun.

At Chuck E. Cheese, every group is tagged into our Kid Check system to ensure that everyone who came with the group leaves with the group, and no one else.

ONE POINT PER GAME

No where else offers every game for one point.

Unlike other arcades that may require two or more points for certain games, at Chuck E. Cheese's you play what you pay for!

*1 point is the equivalent to 1 token or credit

LEARN & PLAY

Learning & living should be fun, and nobody knows fun more than Chuck E. Cheese!

From our STEM field trips, to all-inclusive class parties and graduations, we are the perfect place for your class, school or youth group!

WHY CHUCK E. CHEESE

All Chuck E. Cheese events are all-inclusive, which means that all you do is show up!

We take care of food, drink, play, setup and cleanup. For the packages that need it, we also take care of all the technical requirements.

Our spacious restaurant means there's enough room for your event, for dining, and for gaming, and it is accessible for students with various needs.

We're willing to work with you to make this party happen!

FIELD TRIPS

Whether learning with one of our STEM field trips, making pizzas on the job with Chuck E., or having a Learn N' Play session, one thing is guaranteed at Chuck E. Cheese's - FUN!

Choose from:

- On The Job
- Stop Motion Studio
- Inventors' Studio
- Group Visit

TEACHERS EAT FREE!

Teachers accompanying students on Field Trips get to eat for free!

*1 teacher per 10 students

ON THE JOB

An interactive, “all hands on deck” field trip where kids must work in teams in order to get the job done!

The kids are separated into groups of 5 and assigned the task of making their very own Chuck E. Cheese's pizza. They must work together to learn the correct sequence of putting the ingredients in order to create their masterpieces. The teams are then invited to the kitchen for a behind the scenes sneak peak into the operations at the restaurant. They are shown the pizza making process and get to see first hand the process to get it to the table. Best of all they get to eat the very same pizzas they made!

Recommended Ages: 3yrs +
Length of Learning Session: 30-45mins
Group Size: Min 10 kids
(whole school trips can be facilitated)
Cost: \$80 per child

What's Included:
2 slices 1-topping pizza
16 PlayPass points (All games 1 point)
Drink with unlimited refills

STOP MOTION STUDIO

Kids will delve into the exciting world of movie making with this Field Trip!

They learn to create a short film using Stop Motion Animation. They must develop a story using props that are given and then bring the story to life using ipads and Stop Motion techniques. This helps to develop their creativity, learn film making techniques, encourage collaboration and expose them to technology.

At the end of the session the kids enjoy watching the movies they created.

Recommended Ages: 5yrs - 17yrs
Length of Learning Session: 60-90mins
Group Size: Min 10 kids, Max 100 kids
Cost: \$80 per child

What's Included:
2 slices 1-topping pizza
16 PlayPass points (All games 1 point)
Drink with unlimited refills

INVENTORS' STUDIO

Kids will explore how to use Science and Technology to change the way we live and work together to create their own invention: a self driving car or a catapult.

Students are challenged to use engineering and technology to make their creation. This program exposes students to the fields of Research and Development, Engineering and Design and Game Development.

Recommended Ages: 8yrs - 17yrs

Length of Learning Session: 60-90mins

Group Size: Min 10 kids, Max 64 kids

Cost: \$80 per child

What's Included:

2 slices 1-topping pizza

16 PlayPass points (All games 1 point)

Drink with unlimited refills

GROUP VISITS

Bring the kids for some fun at Chuck E. Cheese's with a group visit and enjoy pizza, unlimited drinks, and games for everyone!

Be it a youth group, school class, or a group of friends, all are welcome to Chuck E. Cheese's!

MAKE IT A MOVIE LIME

You can bring or email a film and we'll play it on our jumbo screen and through our surround sound system! You can make this a chance to learn and play, or keep it strictly fun!
